**QIA BOYS' HAIRCUT POLICY**

This policy serves to provide guidelines on the Haircut for Boys.

The school Code of Conduct makes provision for only one length of hair that must be kept neatly.

The following are strictly not allowed:

- 1) No boys are allowed to keep long hair that reaches over the ears.
- 2) No dying of hair.
- 3) No shaving of portions of the hair eg. Mohawk and the like.
- 4) No hair of different lengths or steps.
- 5) No line shaved path
- 6) No dreadlocks, mullet, afro, crewcut, etc.

The hair policy is drawn up, keeping in mind that this is an Islamic Institution that puts great emphasis on inculcating the Sunnah and nurturing an Islamic way of life. Insha Allah, the school intends to strive, uphold and safeguard the Deen by following the Shariah and Sunnah. It is part of the school policy that two or more lengths of hair will not be allowed based on the hadith wherein Nabi Muhammed S.A.W warned us as follows:

عَنِ ابْنِ عُمَرَ قَالَ: نَهَى رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ عَنِ الْقَزَعِ . قَالَ: وَمَا الْقَزَعُ؟ قَالَ: أَنْ يُخْلَقَ مِنْ رَأْسِ الصَّبِيِّ مَكَانٌ وَيُتْرَكَ مَكَانٌ

Ibn Umar *radhiallahu anhum* said: Rasulullah *sallallahu alaihi wasallam* prohibited us from *Qaza'*. Ibn Nāfi' enquired: what is *Qaza'*? He replied: "To shave one part of a child's head and leave the remaining part unshaven."

In another Hadith Nabi Muhammed S.A.W has said:

قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: مَنْ تَشَبَهَ بِقَوْمٍ فَهُوَ مِنْهُمْ

Rasulullah *sallallahu alaihi wasallam* has said: "That person who imitates a nation will be from amongst them."

This Hadith refers to the Day of Qiyamah wherein people will be grouped according to their character traits and actions. So those that follow and emulate a person will be grouped with that person. As Muslims we strive to follow and emulate Nabi Muhammed S.A.W's Sunnah so that we may be raised and grouped with our Beloved Messenger on the Day of Qiyamah. It should not be that we emulate soccer players, actors, musicians and then on the Day of Qiyamah we are grouped with them and we miss out on the benefits of being grouped with Nabi Muhammed S.A.W.

Qurtuba Islamic Academy, strives to uphold Islamic principles that inculcate the value and love of Nabi Muhammed S.A.W and the Sahaba R.A into the lives of our learners, which will Insha Allah be a source of goodness in this world and the Hereafter.

If a learner is found contravening the code and does not attend to his hair by the next Monday, following the warning, the learner will be suspended from entering class until the issue is corrected.

Parents are urged to comply with and assist the institution in following the Shariah and Sunnah and thus understand the seriousness of this matter.
